

**Please keep this sheet for your information.**

## **Participant instructions**

All courses are normally 9.30-17.00.

Courses are 3 days for members (2 day non-members). The taught part of the course is usually two consecutive Saturdays and requires attendance on both days. The extra day to complete the course is an opportunity to put your new skills into practice, by providing safety cover for an extra day (BO for SB course, ABO for PB2). This could be done, ideally, helping on an Adult Dinghy Course where there are instructors available and time to get some practice in. Please nominate a date on this form.

**Hot drinks will be available to buy from the galley. You will need to bring your own lunch.**

Please bring at least one complete change of dry clothes in case you get wet. Powerboating can be cold, please make sure you have several layers. Waterproofs are also windproof and are essential for spray and in case it rains. Hats and sun cream are useful for summer courses.

Suitable footwear, old trainers or similar are ideal, not hard-soled Wellingtons as these are uncomfortable and fill with water. Your feet will get wet getting the boats out and putting them away.

If you cannot attend your course, or for any reason HSC cannot provide training on the due date, an alternative will be offered. No refunds will be given. HSC must be in receipt of the full course fee before a delegate can commence their course.

Please do not leave valuables in the changing rooms, lockers are available, ask an instructor.

Participants are expected to adhere to the rules of Hollowell Sailing Club. Failure to do so may result in you being asked to leave the site. Please note HSC does not carry insurance for individuals.

Participants automatically grant to Hollowell Sailing Club without payment the right in perpetuity to make, use and show any motion pictures, still pictures and live, taped or filmed television of or relating to the event.

Powerboat certificates, logbooks and handbooks are included for non members. To members a charge of £25 is made to cover these items.

**Non-members are welcome subject to available places. Courses are open to anyone over the age of 14 years for PB2 and 16 years for Safety Boat (provided they have passed PB2)**

A pre-course sheet will be sent on receipt of this form and any fees as applicable.
